

VW Ballito

Situated at 32 Moffat Drive in Ballito, VW Ballito invites you to test drive their wide range of new and used cars. You will definitely be spoiled for choice and price.

New laser dentistry introduced

Imagine if you could have your ceramic restorations done in a single dental visit? Efficiency, greater value creation and safety.

CEREC makes this possible. CEREC stands for speed and comfortable treatment without a conventional impression, annoying provisional and with only one injection. A win-win situation: we can meet the highest demands and give our patients the best treatment. Spare yourself the discomfort of a conventional impression tray.

We Use the CEREC Omnicam, our small powder-free, color camera, for precise 3D images in natural colour. After analyzing the complete scan, the CEREC software generates outstanding restoration proposals. CEREC milling and grinding units are extremely precise, giving the restorations smooth surfaces and edges and excellent anatomy on the ceramic crown, making the restoration more natural looking. Restorations are sintered and glazed chairside.

The restoration is then cooled and can be fitted into the patient's mouth. Dental visits have never been this effortless! Visit our technologically-advanced practice for an extraordinary dental experience. We offer digital imaging, laser dentistry, pain-free injections and much more. We specialize in basic, cosmetic and advanced dentistry. Call us to enquire about our pick up service available to all patients.

ADVERTORIAL

KZN Primary Schools Cricket Festival

North coast boys from Tongaat, Verulam and Phoenix participated in the KZN Primary Schools Cricket Festival in Durban North recently. The boys gave an excellent account of themselves as they won their first and third game against Southern KZN and Umzinto respectively and lost their second game against an Invitation team.

Little people celebrate Heritage Day

Young learners at Little People Creche celebrated Heritage Day, 22 September 2017. They are pictured above in their traditional wear.

MVSS learner selected for surfing competition

Photo: Junior in action in the water.

Junior Cili, a Grade 9 learner from Mountview Secondary School, has been selected to participate in the KZN Surfing Championship. The competition will take place in Jeffreys Bay. Junior is a member of the Iembe Surfing Club and has dished a love for the sport for the past 5 years.

When asked what surfing meant to him, Junior said, "I surf because Alice wasn't the only person to find Wonderland".
