Anti-violence campaign opened by KZN Premier

Tongaat SAPS, in conjunction with the Haven of Rest and Tongaat Child Welfare, conducted placards demonstration at the robot intersection of uShukela Highway (formerly Watson Highway) and High Street in oThongathi CBD to commemorate the anti-violence campaign.

The 2018 edition of this campaign co-incides with the centenary celebration of Mama Albertina Sisulu.

Accordingly, the theme #HearMeToo for 2018 will be supported by the sub-theme of 'Women of Fortitude', which will focus on "Unlocking women and girls' lives, reaching for those furthest behind through strengthening both rural and urban activism.

The Premier of KwaZulu-Natal, Mr Willie Mchunu, launched the 16 Days of Activism for No Violence against Women and Children campaign, which runs from 25 November to 10 December 2018. Various activities will take place throughout the country during this period.

Tongaat SAPS nets murder suspect

Tongaat SAPS made a major breakthrough last week when they arrested a suspect in a murder case that occurred last month.

SAPS Tongaat Detective, Sergeant Siphindile Mazwayi arrested the thirty-one-year-old male in connection with a murder that was committed on 11 October 2018. Communi-

cations Officer at the Tongaat SAPS, Captain Patrick Zithulele Ngwane told **The Rising Sun** in an interview that on Thursday, 11 October 2018, at 09H40, SAPS Tongaat members attended to a murder complaint at McCaffrey Farm, Noodsburg Road, outside of oThongathi.

"On arrival at the scene of the crime

police noticed an abandoned Nissan bakkie, which was unlocked, with blood stains around the vehicle. They further noticed that about a few metres away from the vehicle was a male - who was identified and classified as a 41-year-old with stab wounds on the back", Captain Ngwane said.

He went on to add that on closer observation, the police noticed an Okapi-branded knife next to the body. The body was taken to the Phoenix Government Mortuary for a post-mortem to be held. A murder docket was opened for a thorough investigation to be conducted.

"The docket was assigned to Detective Sergeant Siphindile Mazwayi to conduct investigations. Detectives worked tirelessly to trace the suspect and execute his arrest", he said. The Station Commander, Colonel Santha Moodley, commended the detectives for their dedication and commitment - which led to the arrest of the murder suspect.

"This arrest will serve as a strong warning to the perpetrators of crime", stated the Commander.
