

United prayer meeting a success

The recent United Prayer Meeting held at the Rydalvale Sports Ground was well attended. Approximately 1500 supporters from all Christian denominations and races from Phoenix and surrounding areas.

Supporters from the various church fraternals, like Lutheran, Presbyterian, Methodist, Baptist, Charismatic, Pentecostal and Apostolic forums were present. Approximately 150 volunteers ensured smooth operations, including car guards and ushers.

According to spokesperson, Speedy Kisten, "All relevant city by-laws and compliance requirements from crowd control, parking, toilet facilities, security, ushers, power usage was adhered to. As this was an open air event, the high winds did not deter the strong spirit of volunteerism which was prevalent from setting up the venue over the weekend amidst the wind, dust and heavy rain-

fall". UPM publicity spokesperson Jerome Ezekiel, also remarked that the event was well attended due to the publicity given by **The Rising Sun** and the intense flyer distribution, streetpole adverts, banners and trailer. Also, a heartfelt thank you to the enduring support to the hundreds of volunteers over the months of planning he said.

Another all-night prayer is scheduled for

30 September 2017 at the Gateway Church, which has once more sponsored its venue. There is still an opportunity to facilitate any form of sponsorship or seed should your church, community group, school, or any interested individuals want to, as this will remain an annual event.

Dear Editor

I am an inspiration speaker, I am self-motivated. I live a very positive life, eliminating every form of negativity. I understand myself completely by respecting the mind body and soul. My life is involved in studying human beings. I find great joy reason being use myself as testimony as to what can be achieved. "God who is the creator" has glorified me in every aspect of his power for the exception of no "authority" to take anyone's life. That is his duty so therefore I strongly believe in benevolence and the only prayer is "serving humanity" The purpose of life is to have a life of purpose. Your life purpose is that what you love to be or have in this moment. People look at the term life to be a life time which is about 80 years.

However, good life is only now and can only be lived now. If you want to be fulfilled and realize your magnificence and significance then you must live life as aligned to your life purpose. The great thing about life is you get to make it up as you go along. To achieve this you need to eliminate, aggravation frustration and stress.

By mistaking your mind. He who has attained mistakes of his mind has conquered the world 10 times over.

As human beings our greatness lies not so much in being able to remake the world, that is the myth of the atomic age as in being able to remake ourselves. Poverty is the worst form of violence.

To me success is all about being in the process of joyfully creating a life that reflects your innermost values your deepest beliefs and your greatest dreams.

Love and dedication. Dedication and knowledge Knowledge and service to humanity.
